

**CHARACTER NAME**

## **CHARACTER BACKGROUND SHEET**

Where does your character come from?

Who would your character die for? Love or hate, and why?

How would your character handle a tough physical encounter?

How would your character handle a tough social encounter?

What's your character's Super Objective?

What do you want no one else to know about your character?

Weird things about your character?

Use this to guide your role-playing, not dictate it. It'll help the DM build a better game for you. Characters change and can do things outside of what is expected of them.
